# Side-Boards

## Pitch-Perfect™

Our president helped design the Pitch-Perfect side-board ensuring that the product meets International Hockey Federation (FIH) standards for matches between nations. The last board at the end of each side-line is finished as shown.

Every connector is permanently attached to the Pitch-Perfect side-boards so there are no pieces to lose – a problem with other high-end side-boards.

The playing surface of each board is 10 feet (3.05 meters) in length and is perfectly smooth. Rebound angles are 100% predictable. Slide two of our side-boards together and the smooth playing surface of one board continues across the seam to the next. One or more boards on each side-line can be custom cut to optimize overall side-line length.

Rubber pads, installed by our production department, are on the bottom of our boards – providing protection for your facility's floor.

Each Pitch-Perfect board is \$143 USD.

# Goal Cages

Just as the overall pitch size and circle size is smaller than in field hockey, the indoor hockey cage is smaller than goal cages used for outdoor games. We also sell goal cages for the outdoor game.

## **Elixir Collapsible Goal Cage for Indoor Hockey**

Ideal for indoor facilities with limited storage space, the Elixir Collapsible cage is built to indoor hockey specifications. A pair of the our collapsible goal cages is \$799 USD.

These are our most popular indoor goal cages. They're inexpensive and fold easily for storage. They do not come with bottom boards.

*NOTE: A pair of nets is \$140 USD.*

## **Full Featured Goal Cages for Indoor Hockey**

Our official goal cages described below are outfitted with 3/4" plywood bottom boards. You can upgrade to black PolyBoards™ for an additional \$999 (black) or \$1,599 (red, green, blue).

### **Standard Cage for Indoor Hockey**

Our standard goal cage is engineered to meet *Rules of Indoor Hockey* specifications and is an excellent choice for all competitions requiring goal cages with bottom boards. \$1,699 USD

### **Deluxe Cage for Indoor Hockey**

Built to an extraordinary high standard, our deluxe goal cage will allow you to enjoy decades of continued use. Engineered to meet *Rules of Indoor Hockey* specifications this cage is an excellent choice for international competitions. \$2,199 USD

### **UPGRADE with PolyBoards™**

Available in four colors: \$999 USD for black; \$1,599 USD for green, red or blue. PolyBoards™ are available as upgrades to your order of our standard or deluxe cages or as a stand alone order to replace your damaged or worn out bottom boards existing goal cages.

# Accessories

## Storage Cart

Our storage cart is designed to hold 28 boards, enough for a full-size indoor pitch with side-lines 44 meters in length. When holding Pitch-Perfect side-boards in storage, the cart helps keep everything in order. \$495 USD

## Helpful Demonstration Videos

Visit [Side-Boards.com](http://Side-Boards.com) and watch our demonstration videos. Watch our president demonstrate how the Pitch-Perfect side-boards slide together and form a near seamless side-line. See (and hear) our side-boards in action and get a 360 degree view of our storage cart.
